# Requirement 8 Details

We are going to focus on the “100 from a country” option.

In your kits, you have an envelope marked “100 FROM A COUNTRY”.

I thought that would be the easiest in this setting.

But, you are definitely free to do any of the others if you want to (and if you have stamps).

I added extras (you actually have more than 100 in that envelope).

So, you may have some left over (or you may use all of the extras in your collection or to help fulfill other requirements).

Submit proof of completion by scanning or photographing your pages.

# Requirement 8 - Important Note

- The word “collection” implies order
- It is not an accumulation of items placed randomly or haphazardly
- So, please place your stamps in some kind of order, be it by size, color, value, age, etc.
